**REQUEST FOR CONTINUED EXAMINATION - 37 C.F.R. § 1.114**

Dear Sir:

In response to Examiner's Final Office Action of March 16, 2007, a response was filed on August 16, 2007, the text of which is below. This response was intended as a REQUEST FOR CONTINUED EXAMINATION. However, it appears that through clerical error it was uploaded through EFS and erroneously identified as an Amendment After Final. The text of the paragraph below identifying this submission as an intended RCE was apparently not recognized by the PTO Receiving Office.

After mutual discussion and agreement with Examiner Vo, applicant respectfully requests acceptance of this re-submission of this Request for Continued Examination 37 C.F.R. § 1.114. A petition to the Director under 37 C.F.R. § 1.182 in support of this request is also attached.

***---Original Text of August 16, 2007 submission***

The Examiner's comments and the references cited in the Office Action dated 16 March 2007 have been carefully considered. This Office Action is made final, therefore in accordance with 37 C.F.R. § 1.113 et seq. Applicant respectfully submits a request for continuing examination, and requests the Examiner consider the arguments and amendments set forth herein as follows:

**Amendments to the claims** begin on page 2 of this paper.
